**Goal** - Develop a Veterans Memorial Park in Indian Land, SC

**Objective** - Acquire land contiguous to other Indian Land greenspace and begin Phase 1 of design and construction of Indian Land Veterans Memorial Park.

**Leadership Team** - American Legion Post #250, VFW Post #12136, and appointed individuals for the Greater Indian Land Chamber of Commerce and elected officials

- In Lancaster County, the cities of Heath Springs, Kershaw and Lancaster all have Veteran monuments/memorials. Indian Land is the only area that does not have any Veterans memorial in place for its Veteran population.
- Indian Land currently has a third of the Veteran population in Lancaster County with at least 4,000 veterans.
- Indian Land has two Veteran Service Organizations, The American Legion Post 250, and the Veterans of Foreign Wars Post 12136.
- The VFW 12136 was the fastest growing post in the State of SC.
- Both Veterans Service Organizations currently have no place to hold monthly meetings. They are having to meet in local restaurants.
- This Veteran Memorial Park would allow the Indian Land Residents a place to hold Veteran based events every year to honor their Veteran community.
